10th March 1953]

SRI C. H. KANARAN :—"Is it a fact that the janmis are pressing the Government to frame the amending Bill in such a manner as to benefit the janmis and that the Government are contemplating a Bill on the same lines as the one introduced by Sri Madhava Menon?"

THE HON. SRI M. A. MANICKAVELU NAICKER :—"Both janmis and tenants are pressing for their respective rights and the Government are carefully considering both."

SRI N. N. SUVARNA :—"Are the Government contemplating any tenancy legislation for South Kanara also?"

THE HON. SRI M. A. MANICKAVELU NAICKER :—"Though a neighbouring district, it has to be considered separately, Sir."

SRI K. P. GOPALAN :—"Will the Hon. Minister be pleased to state when exactly the Bill will be introduced because there is so much agitation in Malabar as it is feared that it will not be soon, and may I know from the Hon. Minister whether any conference of the landlords was called by the Government to ascertain their views regarding the Bill?"

THE HON. SRI M. A. MANICKAVELU NAICKER :—"It will be introduced shortly, Sir. The hon. Member is aware that His Excellency also referred to it in his Address."

SRI KUNHI MUHAMED SHAFEE :—"May I know, Sir, whether the Bill will be published?"

THE HON. SRI M. A. MANICKAVELU NAICKER :—"Yes, Sir, that goes without saying."

SRI K. MADHAVAN NAMBIAR :—"Have the Government received any representations from the tenants in Malabar regarding the proposed legislation?"

THE HON. SRI M. A. MANICKAVELU NAICKER :—"Representations from both the tenants and the janmis are coming in."

Co-operative training institutes.

* 14 Q.—SRI M. NARAYANA KURUP :Will the Hon. the Minister for Co-operation be pleased to state—

(*a*) the number of co-operative training institutes in this State;

(*b*) the nature of the help given by the Government to run the institutions; and

(*c*) whether the Government have since received the report of the Registrar of Co-operative Societies on the proposal to start a Co-operative Training Institute in Malabar?

THE HON. SRI D. SANJIVAYYA :—"(*a*) There are four registered Co-operative Training Institutes at Tanjore, Coimbatore, Anantapur and Rajahmundry besides the Government Central Co-operative Institute at Madras.

"(b) The cost of running the Central Co-operative Institute is entirely met by the Government. The four mufassal Co-operative Training Institutes have been given the free services of four Co-operative Sub-Registrars, permanently to work as their Superintendents. Besides, two Senior Inspectors to each of the Institutes at Anantapur and Rajahmundry and one Senior Inspector to the Coimbatore Institute have been given free of cost to work as lecturers. An annual grant to meet the cost of one non-official lecturer employed in the Coimbatore Co-operative Training Institute and two non-official lecturers employed in the Tanjore Co-operative Training Institute is being sanctioned by Government.

(c) Yes, Sir. In view of the existing financial stringency, the Government have deferred the proposal for the present."

SRI P. VENKATASUBBIAH :—"May I know, Sir, whether there is any obligation on the part of Central Banks and other institutions to absorb the candidates that undergo training in these institutes?"

THE HON. SRI D. SANJIVAYYA :—"Notice, Sir."

SRI V. SANKARANARAYANA MENON :—"Will the Hon. Minister be pleased to state whether the Government will give to the institute to be opened in Malabar such aid as has been given to the institutes opened in other districts, considering the large number of societies that are existing in Malabar and the serious allegations about some of them for want of proper management?"

THE HON. SRI D. SANJIVAYYA :—"The Government certainly considered the need to open an institute in Malabar; but we cannot start one now on account of financial stringency."

SRI T. C. NARAYANA NAMBIAR :—"Is it a fact that the training course started by the District Co-operative Bank at Kozhikode had to be stopped because the Government stopped the grant?"

THE HON. SRI D. SANJIVAYYA :—"I am not aware of it, Sir."

DR. K. B. MENON :—"As and when the Government take a decision to open an institute, will the Government bear in mind that such an institute should be handed over to a specialist and not to the existing co-operatives in Malabar?"

THE HON. SRI D. SANJIVAYYA :—"We will certainly consider the suggestion made by the hon. Member."

SRI P. RAMAMURTHI :—"Are the Government going to invite an American expert when they take a decision?"

THE HON. SRI D. SANJIVAYYA :—"Not at all, Sir."
